Dear Parents and Carers,

We now have details of the costume requirements from the RSC for the performance of Twelfth Night. As different schools are presenting different sections of the play we have been asked to colour co-ordinate the different characters and groups.

Please see the attached the guidelines for each character.

Could all cast members who do not have a designated character please wear a summer, colourful beach outfit as their base costume. Since the play is set in the Caribbean a colourful top and long shorts is advised.

Children should wear their base part of the costumes all day on 5th July and please make sure all other items are named.

A further letter will be sent home next week for the event on 5th July with more information and timings once we have confirmation of the workshop groups.

Thank you,

Anita Santinelli
