Eco Council Action Plan
2023/24

Challenge, Creativity, Compassion: Create a pure heart in me – Psalm 51:10

We encourage children to respond creatively to internal and external challenges in life, with compassion for others, including consideration for creation and the planet itself. Thus we show how to live justly and with a pure heart, reflecting the teachings of Jesus and God's love within our school environment.

| Objectives | Actions | Resources | Success Criteria | Timeline |
|---|---|--|--|---|
| To plant more trees - Esme | HT has ordered tree pack from woodland trust Council agreed to plant in Forest School area | Tree pack Planting materials Ben our grounds person to help us Time to plant trees | The trees have been planted.
